APPLIED DREAMS.

# English for Academic Preparation (EAP)

For more than 20 years, the EAP program at Niagara College has helped students from around the world develop a strong foundation in the English language – bringing them one step closer to achieving their career dreams.

## Program Advantages

- Multilingual instructors
- No official language proficiency score required (i.e., TOEFL, IELTS)
- Beginner through advanced levels
- Six session starts per year
- 22 hours of classes per week
- Weekly social events and activities

## Courses

- Academic Reading and Writing with Research Skills for Academic Study
- Grammar and Vocabulary Development
- Speaking, Listening and Note-taking, Pronunciation, and Presentation Skills

## Short Term EAP program

This program is two months in duration and ideal for students that are unable to attend a full semester of the EAP program.

Accredited by:

## Summer English Program

The Summer English program is conversation-based and includes a wide range of language development activities that focus on speaking accuracy and fluency, vocabulary building, conversational grammar, pronunciation, English idioms and everyday expressions. If you would like to learn how to communicate in English effectively in a relaxed and flexible environment, this is the summer course for you.

### Programs Advantages:

- Two session starts per year: July and August
- Each session is four weeks in duration, concurrent option available
- 20 hours of classes per week

### Program Benefits:

- Apply your English skills in real life settings
- Explore the Niagara Region and learn about Canada
- Meet Canadians and other international students
- Language experience of a lifetime!
