Additional program information can be found at <http://www.niagaracollege.ca/media-studies/programs/broadcasting-radio-television-film/courses/>.

Should you have any questions regarding the admissions process, please contact our International Admissions Office at 905-988-2910 or international@niagaracollege.ca.

PROGRAM INFORMATION SESSION

Come be our guest, virtually! We'll give you a chance to explore our television and film studios, investigate our radio station, check out industry-leading red cameras and see a professional mobile broadcast truck up close. We invite you to meet our terrific faculty and ask current students what it is like to be part of one of the best broadcast programs in the country.

Attendance at the Information Session is **strongly recommended** and will provide you with an overview of our facilities and what makes Niagara College's Broadcasting-Radio, Television and Presentation program the best place to start your career in media. Questions and answers will round out the session.

This session is open to applicants and guests and begins online 11am sharp.

Next step: a quick RSVP...

To join us at the Broadcasting – Radio, Television and Film Information Session please send an RSVP to broadcastingRSVP@niagaracollege.ca

BRTV Virtual Information Session

Saturday, February 5, 2022

Info Session: 11:00am

**Zoom link will be sent with
your RSVP Confirmation**

UNABLE TO ATTEND THE INFORMATION SESSION?

If you are unable to attend the program information session please take time to explore our programs virtually at www.niagaracollege.ca.

Be sure to watch our program video to learn what it is like to study in our three year advanced diploma program. This piece was completely written and produced by Broadcast students.

Visit our Vimeo channel, <https://vimeo.com/btrf>, and spend a few minutes watching great content produced by all three years of our presentation, film and TV production students.

At <http://www.cnc.ca/> you can also listen live to The Heat, our terrific, 24 hour, student run radio station.
